

December 2020

Message from the President

Sarah Anwar (SarahAn / TDSarah)

Dear Members,

Can you believe we are nearing the end of a tumultuous 2020, a year which saw StepBridge Australia grow from strength to strength. Amidst the adversity that surrounded us all, testing the resilience of the world, together with local problems here in Australia with the bush fires, thousands of bridge players joined our numbers and participated in online bridge, a completely new and foreign concept to some. We are pleased to know the haven StepBridge has become to many of our members and we appreciate your thanks and compliments for providing this outlet and the joy of making new friends and being able to play the game we all love. The world as we knew it is changed forever and thanks to amazing technology, players can play in the comfort and safety of their own homes.

The challenges our support team faced were at times insurmountable and Admin staff worked from 5.30am to 11pm tirelessly day after day.

Our Home Club Members have increased to 105 and Associate Members 1931. We have processed 143 new applications since the beginning of October. Last month we hosted 2969 tables in our tournaments.

Our new website has been launched and it will continue to develop over the next little while. Many promised improvements and enhancements have been rolled out and will continue to do so over the coming months, thanks to Epko Steinmetz and his team in The Netherlands. The mission of StepBridge Australia is to be for Australian players, our club is your club, providing play and promoting friendships and a sense of belonging.

With the increased membership and player participation, StepBridge Australia has exceeded the ATO threshold for turnover for Not For Profit organisations and as such we have had to pay GST since the beginning of this financial year. Up until this point we have absorbed this tax and not passed it on to the players. The Committee has approved a new fee structure for table fees and it is included on the next page of this newsletter. Please adjust your future payments accordingly.

Message from the President - continued

The new software will notify players on their anniversary of the requirement to renew their membership. Home Club Members as always will be based on the calendar year.

- Home Club Membership for 2021 \$30.00
- Associate membership for 2021 \$10.00

payable upon receiving your membership renewal request email from us.

Once again we are publishing our Online Rules, it is important that players familiarise themselves with the rules, and adhere to them.

I need to talk to you about the unpleasant topic of “perceived Cheating”.

We are able to ascertain every aspect of bidding and play, hesitations, unlikely killing leads. A players jury is being appointed to independently review all suspect reported play and we will have ZERO tolerance in this matter. I can warn some partnerships that they are on the edge of being barred from playing together, and the 3 strikes and your out rule will apply. We will not tolerate this behaviour and we will implement measures to wipe it out.

If at any time you suspect foul play DO NOT voice your concerns to the table or anywhere publicly, you should alert the TD, however a better approach is to email us and advise your concerns for us to follow up. The email address is admin@stepbridge.com.au

I would like to take this opportunity to thank my hardworking team for all their efforts this year.

Committee, Tournament Directors, Admin Executive you have all been amazing. Special thanks to Mark Hetherington our CTO without you Mark the rest of us would have struggled to cope and I am sure we would not have achieved the results you have.

On behalf of the Committee, Admin Team and Tournament Directors I wish you all a very Happy Christmas and a Prosperous 2021. We look forward to hosting your online bridge in 2021.

Christmas Day Sessions

On Christmas Day, StepBridge will hold the following two bridge sessions only.

4.00pm OPEN & 8.00pm OPEN

As a Christmas Gift from StepBridge, both of these sessions will be FREE.

StepBridge Portal

StepBridge Australia now has a new facility called the 'Portal'. The Portal is your new one stop shop. You are able to do the following on the Portal.

- Retrieve Your Password that you have lost or forgotten
- Change Your Email Address
- View Results from Past Tournaments or Competition Lobby (Social) Tables
- Check Your Participation Points balance and transactions

There will be also be some other features, which are currently being developed and will be released in first couple of months of 2021.

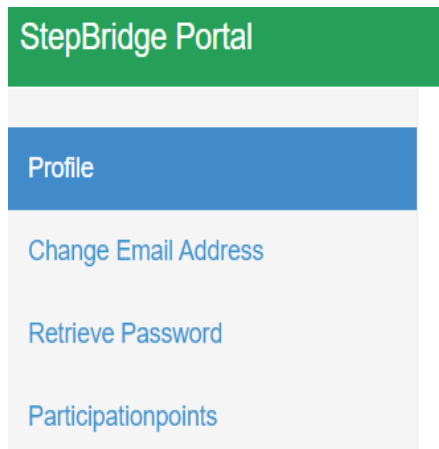

To access the Portal, please do the following

1. Go to the StepBridge Australia website www.stepbridge.com.au, and click on the Portal button on the top right hand corner of the banner.

Home Registration Download Members ▾ Help ▾ About ▾ →Portal

2. This will then take you to portal.stepbridge.com.au. On this page you can Retrieve Your Password, if you have forgotten or list it. Otherwise, login to the Portal to access the other features. You can login via the blue button in the centre of the screen or the banner in the top right hand corner.

3. Once you have logged in to the Portal, you have another of options in the left hand column.
 - There is your Profile where you can view your Personal Information and Results.
 - Change Your Email Address, if it is incorrect in the Personal Information section.
 - Check Your Participation Points balance and transactions for tournaments that you have played.

Regulations for Online Events

The ABF have sent out Regulations for ABF Online Events, written by Laurie Kelso & Matthew McManus in August 2020. Whilst the ABF Online Events Rules have been clearly written specifically for the Bridge Base Online software, we at StepBridge are going to adopt the following based on these regulations.

1. The Laws of Duplicate Bridge 2017 and the ABF Tournament Regulations apply as modified by these regulations.
2. The Director must be summoned electronically for any irregularity. Once the Director has been summoned, all play and bidding shall cease until the Director authorises its continuation.
3. Alerts (including Announcements) are made by the player making the call. An alerted call should be accompanied by an explanation. Players are encouraged to explain calls even if those calls do not require an alert. Any call that would normally be alerted at the conclusion of the auction in face-to-face bridge (including Self-Alerting actions) may be alerted at the time of the call.
4. Any player may request information concerning an opponent's methods. Enquiries must be made using Private Chat and should be directed to the player who made the call. Replies to these enquiries must likewise be given in Private Chat.
5. Players have the ability to set 20 different variations of system cards. It is necessary to edit the library card to match your system used. Players are expected to play according to their displayed system card. Failure to do so, may result in a disadvantage in respect to misinformation rulings. In addition, players must display their name in the Identity field.
6. In general, calls and plays made within 10 seconds of the previous call or play are considered to be in tempo.
7. Unintended calls or plays may be rectified as per the Laws of Duplicate Bridge. A contestant who makes an unintended call or play should summon the Director immediately. Undos are permitted only upon instruction of the Director.
8. If play continues after an opponent's claim or concession is rejected, the result of the board will stand as played. Alternatively, instead of rejecting the claim or concession, the Director may be summoned to adjudicate a result.
9. A hand that is partially completed when time expires is adjudicated as equitably as possible to both sides.
10. A player's table chat is authorised information for the opponents and unauthorised information for partner.
11. All information provided by the software is authorised. This includes the ability to view one's own system card during the auction and play.
12. It is illegal for a partnership to communicate during a hand via any means other than chat to the full table.
13. The use of external aids to memory is illegal. This includes, but is not limited to, the inspection of one's own system notes and the recording on paper of the cards played.

14. Any attempt to gain advance knowledge of a deal (e.g. by communicating with a kibitzer during the game; by playing simultaneously in an event using multiple accounts or; by using a third-party account) is strictly prohibited.
15. Allegations of misbehaviour or suspicious activity should, in the first instance, be made to either the Director of the event or StepBridge administration (admin@stepbridge.com.au).
16. Situations deemed worthy of further examination will be submitted for investigation. Not only will the session in question be scrutinised, but other sessions involving the same player/pair will also be examined.
17. Players, pairs or teams who are subsequently found to have engaged in illicit or unauthorised communication will be the subject of disciplinary action.

How to Private Chat to the Opponents at the Table

Another frequent question is “How do I private chat to the opponents at the table?” You can do the following on all devices.

When you are at the table, select the drop-down menu beside **To:**

This menu will have a number of options including Table, Tourn. Director and Opps & Spectators. You need to select “Opps & Spectators”. *The below image example does not have this option showed, but this just gives you an example of where to find it.*

An example of a time you use this is when responding to a question by the opponents or a delayed alert or announcement of a bid. This is because you do not want to be giving information to your partner, which is unauthorised information.
