Professional Experience

As well as extensive time spent in the Financial Services Industries in the UK, Melbourne and Hong Kong, I started my own business in Hong Kong providing administrative services to various Clubs and Associations. This business involved acting as Administrator/Secretary, organizing functions, maintaining their membership databases and renewals, banking, taking minutes, and acting as central liaison for members.

Club Experience

While in Hong Kong, I was a member of the Hong Kong Cricket Club and the Hong Kong Cricket Association. I played Netball for the Hong Kong Football Club and was on the committee of the that section for 3 years as Treasurer.

At the Sanctuary Cove Golf Club, I was a member of the Ladies Committee from 2002 – 2014, and Lady Captain from 2012-2014.

I have been involved with the Sanctuary Cove Bridge Club since its inception in 2011, acting as Masterpoint Secretary, Vice-President and as President since 2019. I have been our Congress Convenor since 2017. I am also a qualified Club Director.

Stepbridge

Early in 2020, I offered my services to Stepbridge as I could see that there was an enormous workload developing and was appointed as a TD. I hope I can continue to support the dedicated committee and other Stepbridge members as we go forward.
