Message from the President

Another month has passed.

I would like to thank all of our members who supported our Ukraine Appeal Day. We raised in excess of \$5850 which was contributed to "Australia for UNHCR" the United Nations Refugee Agency. A special thanks to Epko and the team at StepBridge International who generously participated in the dollar for dollar match by StepBridge to add to the funds raised from players' game fees on the day.

Notification of Special General Meeting. - I ask you all to read this carefully. The committee has endorsed a rewrite of our constitution which is now being submitted to the membership for consideration and to vote on adopting this document. With the change of the landscape of our club following the pandemic we considered it was necessary to adopt a more comprehensive constitution going forward that we believe will serve the club well into the future. To enable this to happen we are holding a Special General Meeting for the purpose of voting to adopt its inception.

The strength of our platform and the wonders of the Online environment in which we live, have allowed me to continue my role both as President and Head TD from the other side of the world. I have been resident in Turkey for the past 6 weeks and every day that I enter the club many players are asking for news and enquiring on life in Turkey. I have decided to write a diary entry each month to hopefully give you an insight to life in a very different land.

Wishing you all happy bridging and I look forward to catching up with you at the table soon.

SGM (Special General Meeting) - Updated Constitution

The StepBridge Australia Bridge Club Committee, since the last AGM (Annual General Meeting), have been working through the process of preparing an updated Constitution. This has come about from the current Constitution no longer being suitable to cover the needs of the club.

A SGM (Special General Meeting) will be held on Monday 11 July 2022, 6.00pm Australia Eastern Standard Time, on Zoom to vote on this new Constitution for the StepBridge Australia Bridge Club. Members will be emailed their notice of the meeting, agenda, proposal explanation document and the proposed updated Constitution by Saturday 18 June. If you have not received your email by then, please email the Secretary via chris@stepbridge.com.au. Please refer to the link in the email and agenda to register to attend the SGM. Any questions you may have regarding the SGM or Proposed New Constitution, please email the Secretary via chris@stepbridge.com.au.

Western Australia Evening Session

Over the last few weeks, a survey was conducted as to whether there was interest in an Evening Session suitable to our Western Australia Players. The results from the survey are in and have been reviewed. Unfortunately there is not enough support for a session to be held, with only 21 players filling in the survey. The results of the number of people who selected each option appear below.

Message from the Treasurer

Just a reminder to everyone. If you want to purchase participation points, please do this via the shopping trolley function on the Information and Registration page. The advantage to you is that your points are credited straight away - no reason to panic that you can't play. You will immediately receive an email with payment instructions and a unique reference number. If you pay this way, everything should happen automatically, no need for manual processing at our end. Please don't use old reference numbers which might pop up in your banking page, every payment has its own reference. Also, please only pay in the \$ multiples indicated on the order page. If you are paying over the counter at a bank or credit union, please insist that they include this reference number or we have no way of identifying the payment as being for you.

If you are still getting reminders and think this payment below belongs to you, please send a copy of the bank receipt to suzi@stepbridge.com.au.

The Australian
Internet Bridge Club

New weekly game on StepBridge

StepBridge Australia is an internet bridge club based in Australia. The club has been in existence for more than 15 years and is affiliated with the Australian Bridge Federation and South Australian Bridge Federation. StepBridge Australia offers a bridge platform in a friendly and controlled environment. The benefit of our club is the ability to play from the comfort of your own home, or on holidays or abroad.

Since 2020, due to COVID-19 pandemic, the club has grown from 100 members to well over 2,000 members, most of which enjoy the \$10 Associate Membership so they can retain their current Home Club Membership. Sessions are conducted for Novice, Restricted and Open players with a range of times throughout the day.

For other clubs who wish to offer sessions exclusively for their members, StepBridge has a Virtual Club facility which is available at very little cost. This is a facility which helps our Virtual Clubs to increase their session exposure to their members.

StepBridge has a philosophy of wanting to give back to the bridge community, as well as the wider community. In addition to providing inexpensive club rooms, StepBridge has already done this by becoming the sponsor of the Gold Coast Congress Open Teams, which it hopes to be involved with for many more years to come.

On Thursday 19 May, StepBridge held a special fundraising day to support the people of Ukraine. All table fees from the day, of all Red Point Sessions, were matched by StepBridge Australia from club funds, and together with separate donations made by members were donated to the UNHCR to assist in the Ukraine Emergency. Total funds raised and donated for this important cause was just over \$5,000.

Following the ABF announcement that their Sunday Nationwide Pairs would cease at the end of May and subsequent feedback from players, June will see the start of a new weekly Sunday Afternoon Red Point session on StepBridge Australia called All Around Australia. This session each week begins at 2.30pm AEST, and consists of 27 boards. There are three separate fields of Open, Restricted & Novice available, with the masterpoint cut-off for the Restricted & Novice fields being as at the end of the previous month. Cost for the session is 75 Participation Points per player (approximately \$5). StepBridge welcomes anyone who is looking for a regular Sunday Afternoon online bridge session.

Turkey

I have been in love with Turkey and its people for more than 10 years and this is my 3rd visit to Turkey. I can't say the language has become any easier to understand and it can be quite isolating when in a large group of people. This old blonde brain is struggling. I have my phone or IPAD at the ready for translation of, or for correction of pronunciation of impossibly sounding words. Let's see how long it is before I can have a conversation without faltering. A whole new appreciation of folks coming to Australia where English is not their native language.

I arrived in Istanbul in the middle of April. Istanbul is amazingly enthralling. After 2 weeks, we relocated to Düzce, a 2 ½ hours drive from Istanbul. Life is now in a picturesque rural setting less than 10 minutes from town. The location is within a basin with snow capped mountains surrounding us. The area is renowned for growing Findik (hazelnuts) and there are trees everywhere you look. With summer in full swing so is the planting season and farmers are seen sowing their crops. All around us they are planting rice. There are ancient half pipe irrigation systems about 1 metre above the ground. They access an artesian water supply and are used to provide irrigation for the crops.

I have to say after the years of living in Tasmania with the lush pastures and fantastic cattle both dairy and beef, to see the scrawny bony creatures here that graze the roadsides every day make me wonder how they produce any milk at all. Driving the country lanes is always a wonder, will I see a camel laden with provisions or a farmer driving an ancient cart pulled by a pony or a donkey. Yesterday I saw such a cart and on the back of it there was an old garden umbrella mounted to provide shelter from the sun. They were selling (karpuz) watermelons door to door.

With inflation running at greater than 34% you can only imagine how hard it is for the average family to survive. Rural families all have comprehensive vegetable gardens. If you have to buy anything that is imported you can expect to pay more than in Australia for the same product. To give you some perspective, the average monthly pension here is between 2500TL and 4000TL or \$250 to \$400 a month.

We are less than 30 kilometres from The Black Sea and the climate is subtropical in summer and has experienced a minimum temperature of -20.5C in winter. Not looking forward to that so much. I believe in winter we are likely to have snow on the ground for 2 months.

In 1999 this area was devastated by an earthquake killing 845 people and injuring over 5000 people. When I look around me at the ancient environment where everything from 5 years old to more than 2000 years old looks decrepit and about to fall down, I have to wonder how anything is still standing at all. I am enthralled by the history of this place, first settlements go back to 3rd century B.C. History shows that this region has been conquered by a succession of

marauders. The ancient relics of the past are fascinating. By the late 19th century Düzce was part of the Kastamonu Vilayet of the Ottoman Empire. Today it is an important industrial city to Turkey as well as for its agriculture. There are some Roman ruins of an ancient outdoor theatre and there are productions carried out there for tourists from time to time by local theatre companies.

Darwin

Darwin was never 'on my bucket list' but with Covid, potential travel restrictions if caught overseas, I decided to spend two weeks here. In a word it has been great with many places of interest to visit

The highlight so far has been the Offroad Dreaming 'Litchfield National Park Day Tour with Waterfalls and crocodile jumping cruise' tour.

Firstly, we were taken to three fresh water pools of which we were able to swim in two. The third is currently off-limits because of a crocodile.

The water for these pools comes from underground springs and flows into the pools from waterfalls. The water is very refreshing. Apparently it is also very good for one's hair, but having none, I cannot comment.

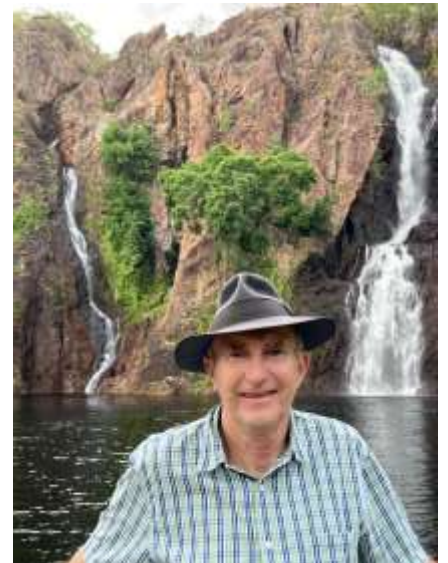

The guide says that once the ranger opens the pools for swimming none of the officials will swim there for two weeks. This ensures if they have missed a croc, a tourist will firstly be taken!! (I thought he was joking but I'm not sure)!! Chris I have also sent some photos of these

The last event and highlight of the day was a cruise on the Adelaide River. The tour guide has 4-5 special salt water crocodiles he entices with chicken. They range from 3-5 metres. The crocs have come to expect him hence he has no trouble getting them to take his offerings. See photos.

The tour is all day with lunch and if you were to visit Darwin and could only do one tour, this is my recommendation.

There is another I am shortlisted for as it books out weeks in advance You swim in cages with large saltwater crocs swimming around the cage. If I manage to get the 'call up', I will report separately on this. Surprisingly it is located in the centre of the city.
